Executive Minister's Report

Welcome to the **Annual Gathering (#TAG2025)**, themed ***"The Authentic Church in Challenging Times,"*** inspired by the powerful words of **Hebrews 10:23-25**:

"Let us hold unswervingly to the hope we profess, for he who promised is faithful. And let us consider how we may spur one another on toward love and good deeds, not giving up meeting together, as some are in the habit of doing, but encouraging one another—and all the more as you see the Day approaching." (NIV)

This verse is a profound reminder that our God is faithful, and He calls us to remain steadfast in hope, to uplift one another, and to be a light in the midst of uncertainty. As we gather, we will explore what it means to be **an authentic church**—a people of bold faith, resilient love, and unwavering commitment to the Gospel, even in the face of difficulty.

At TABCOM, we have recently reframed our statement of purpose: Uniting and equipping churches to make disciples of Jesus.

We have identified four areas of focus for our ministry:

- † Equipping churches for fruitful ministry.
- † Developing and supporting church leaders for faithful service.
- † Connecting churches for local and global mission.
- † Celebrating churches' unity amid diversity.

Here are just some of the "New Things" happening in TABCOM:

- † **Welcoming new churches!** We had three additions to the family in 2024: Lively Stones Christian Center of Brockton, Pastor Cindy Cabral; Igreja Batista Nova Vida (New Life Baptist Church) in Lowell, Pastor Ronie Souza; and Nouvelle Assemblée Chretienne (New Christian Assembly) in Haverhill, Pastor Benony St. Victor. We have several other churches "in process" to join the TABCOM family.
- † A new vision for our **Oceanwood Camp**, which will be shared in more detail during our business meeting.
- † Exciting growth in facilities and ministry at our **Grotonwood Camp**. How thankful we are for their hospitality during our Annual Gathering!
- † Celebrating new beginnings in our family: the joy of welcoming newly ordained ministers to TABCOM, and new pastoral leadership in our

churches. Our Region is doing standout work in **calling, blessing, and equipping church leadership**. Our School of Ministry is a key pathway to ministry leadership, and we praise God for its growth.

- † **Expanded TABCOM grants**, including our new Elder Ministry grants, the George Wright Fund, and the establishment of a new fund for supporting church planting and re-planting.
- † A priority to **support our pastors** and church leaders, with special concern for our immigrant churches in the unique challenges they are facing.

A large thank you goes to the TABCOM staff, the very best Region team: our Associate Executive Minister Ron Bouthillette, Robyn Mars, Diane Badger, Maria Reilly, and Miranda Kwan. We welcomed Jeff Ellis as our new Director of Finance, who has enthusiastically engaged our shared mission.

Last year we said goodbye to our beloved Ed Guerard, who served TABCOM so fruitfully for so many years. We honor his memory as a truly “good and faithful servant.” Currently we are seeking the right person for an expanded Director of Development position on our TABCOM staff.

How grateful I am for the leadership of Chris McWhite as TABCOM president. He and the rest of our officers, the members of the Board of Directors, and all our volunteers serve with dedication and make a real difference for our mission. God bless you all!

Even in the current climate of uncertainty and with the challenges we all face, now more than ever, we are called to stand together in faith, unity, and encouragement. As the body of Christ, we are not alone—we are strengthened by one another and by the unwavering faithfulness of our God.

Serving Christ,

Rev. Dr. Mary Ann Hamel

Associate Executive Minister's Report

First, I want to say that it has been a blessing and a joy to serve TABCOM in this capacity. In July, it will be my third year serving this region.

Last year was incredibly busy. I was the interim Executive Minister for the American Baptist Churches of Vermont and New Hampshire and continued to serve TABCOM.

My responsibilities as the Associate Executive Minister in the area of church relations includes assisting churches in transition or conflict. I also work with Diane Badger to oversee finding interim pastors for churches in transition and I helped search committees in finding their new pastor.

Every year it is more difficult to find new pastors because “the pool” is very limited. Seminaries are no longer producing local church pastors and there is a lack of interest in people wanting to be a pastor and there are very few wanting to be a part-time pastor.

I work with our ARC (Association Resource Coordinator) personnel and I helped organize various activities for TABCOM.

Perhaps what I enjoy the most is the opportunity I have to walk along pastors, especially those who are new in TABCOM and the ministry. This is the part of my calling where I get the greatest satisfaction.

Again, thank you for your support and prayers. Thank you for being gracious when my imperfection shows itself!

In God's Grace,

Ronald Bouthillette

Friends of the Region” was introduced in 2003 by Ed Guerard. Last year our dear friend and coworker passed away on June 30th. His donors responded generously.. The donations came in for 2024 at \$78,912; higher than 2023.

We are so grateful for all of Ed’s work and dedication to TABCOM, Grotonwood, Oceanwood and the School of Ministry.

As Ed mentioned last year, many of his donors were over the age of 65. Sadly, we report that two of the donors passed last year and we want to honor them and their support for our missions.

We would like to thank Ralph Earle and Lawrence French who gave faithfully to TABCOM, Grotonwood and Oceanwood. We would also like to thank Ralph Earle’s family for continuing his legacy in still giving to Friends of the Region.

Please visit Friends of the Region exhibit table at the Grotonwood Gym and thank Ed’s family for their support and enjoy a chocolate chip cookie from Joan Guerard.

TABCOM 2024 Financial Highlights

TABCOM 2024 Annual Report

TABCOM experienced a strong financial year during 2024. TABCOM ended the fiscal year with a \$22,000 surplus. Overall revenues remain strong resulting from consistently good returns in the stock market. We have noted a decline in donations from member churches as pressure on their cash flows increase with higher costs and lower attendance. TABCOM is blessed to have diversity in its revenue streams of offset a downturn in historical revenue sources. Our operating expense remains in good control. Most of the operating expenses are payroll related. However, there are opportunities to reduce costs going forward in the areas of utilities, insurance and office related expenses.

The Property Fund, TABCOM's primary asset to fund general operating costs, continued to grow in value. The Property Fund's yearend balance has increased to \$5.7M and based on a planned 4% distribution rate, the fund will provide approximately \$220,000 per year towards TABCOM's future operating costs. The Transformation fund had a yearend balance of \$1.1 million. In early 2025 the fund received a very generous gift from the late Ralph Earle which has nearly doubled the fund balance and going forward the fund will provide TABCOM and the camps with an annual distribution of \$80,000. Donations from our member churches, although under financial pressure, remain a critical funding source for TABCOM. In 2024, TABCOM received approximately \$150,000 in member church donations. Lastly, private donations have become an important means of funding special projects within TABCOM. Ed Guerard, who championed this effort over the years, developed key relationships with individuals looking to donate to both TABCOM and the camps. Sadly, Ed passed away recently, and TABCOM is actively looking to fill this important position and continue Ed's legacy forward.

Lastly, during 2024 TABCOM was able to provide significant grants to numerous member churches from donated funds and returns on assets managed directly and indirectly by TABCOM such as the Charlestown and Elder Ministry funds.

I would like to acknowledge Richard Wolf's many years of service as TABCOM's Director of Finance. Richard will continue as the Chair of a newly established Investment Committee. Richard will ensure our funds are invested properly to provide adequate cash flow to TABCOM on an annual basis while also generating long-term growth in our portfolios. It is truly an honor to replace Richard, and I hope I can continue his work into the future.

TABCOM 2024 Annual Report

Retreats Ministry

Grotonwood Retreat Center is huge asset to Christian groups as a place for spiritual growth. We strive to improve the experience these groups have by continuing to increase the quality of service, our facilities and food. The number of guests who attend continues to grow, but we are “playing Tetris” with our accommodation and meeting spaces. We have the demand to serve more groups, however more accommodation space is needed. The cost for building such a space would be in the region of \$5m, which we do not have. Is anyone in the TABCOM community able to make this possible?

Camping Ministry

Our camping program, the one facet in which we get to directly provide spiritual nourishment to our campers and staff, again surpassed what we could ever have imagined. Our Bible themed “Stories from the Sea” underpinned the worship, message and activities our camper engaged with throughout the season.

New activities added in 2024 included a brand new low ropes course in Pioneer Village, remote controlled cars, an air-soft target range, wheelchair ramp for the picnic stage, a new jet boat, new Gaga pit and a new swim dock for the beach.

We have seen an increase in demand for our specialist camps such as our 1:1 ratio Day Camp program and Adults with Disabilities program. To help support this demand we will be extending our summer camp program from eight to nine weeks in 2025. We had the highest recorded income ever for a fourth year in a row. This means that more campers attended Grotonwood in 2024 vs any electronically recorded summer (which goes back to 2011).

Facility Improvements started or completed in 2024

- † All of Going Cabin refurbishments are complete.
- † Air Conditioning has been added to the gym lounge
- † Blanchard Hall has been completely repainted inside
- † 20 x beds and mattresses replaced in Blanchard Hall
- † The Main Dining Hall dumpster area and hill to TABCOM was paved.
- † Directors House roof has been replaced.
- † Boat House exterior has been painted.
- † Smart thermostats have been installed in all Judson cabins.
- † Prescott Lodge has been completely painted inside.
- † New kitchen area added to Prescott Lodge

† Pine Lodge has been demolished

Pavilion Update

Thank you for all your support in raising funds for the Pavilion, which will replace Pine Lodge. We have almost raised enough money to complete the whole building. We have paid for Pine (Health) Lodge to be demolished. The cost for this did come in a little higher, as a number of unexpected requirements were needed, such as a pest control plan and asbestos was found in some of the flooring tiles. With the building and foundation removed and the ground leveled we are close to getting ready to install the slab. We are currently waiting for the architect to redraw the front elevation and for the engineer to recalculate the snow load. Once we have this we should be able to gain the permit to start work.

Staffing Updates

Linda left our kitchen to manage the one at Oceanwood. She's missed, but we're really excited for her to help support the retreats happening there.

Lesley-Ann has been hired as our new Office Manager. She brings lots of HR and process experience with her from FedEx and is a wonderful woman of Christ.

Thank you to all our supporters who volunteered their time or contributed towards our capital improvements or campership fund. We couldn't do all that we do without your faithful prayers, financial contributions and the gift of your time.

Lots of love and appreciation - Danny, Breeze, Ocean, Alpine and all the Grotonwood staff!

Missions Ministry Annual Report

TABCOM 2024 Annual Report

2024 was my first full year as the Director of Missions—the role I took on in late June of 2023. And it was a year of discernment. As the new year of 2024 rolled in with greetings from the Global Servants of the IM (International Ministries/American Baptist Foreign Mission Societies), including those who were the guests at TABCOM MissionWorks 2023, those serving at American Baptist Home Mission Societies and other ABCUSA affiliated organizations, those from other mission and Christian non-profit organizations, and numerous others ordained and lay ministers of Christ serving at local churches, I was reminded and convinced anew that God was indeed at work everywhere through all these servants of His—all followers of Christ whom our Lord Christ Jesus sent out as the Father had sent him. Indeed, Christianity is a “sending” religion, as one prominent Christian Mission scholar put it—needless to say that the word “mission” comes from the biblical Greek words for “sending.”

In particular, it has been the “foot soldiers” of Christ, the faithful servants of Christ on the front lines of ministry, whether they are professional “missionaries” or volunteer ministers/servants, whether they have a formal title or role, who bore witness to Christ to the local people as they carried on the works of Christ in their day-to-day, face-to-face services to others, embodying the love of Christ. The faithfulness of these fellow Christian brothers and sisters was palpable at every church I visited and at every “mission” and outreach event that I was part of—such as at the mission training at Morning Star Baptist Church, Jasmine Outreach, ECG Outreach, WIT Outreach, New England Missions Network gathering, Global Encounter and Reach the Nations events, to name a few. As the Director of Missions, I have had occasions to meet and talk with scholars and professors in the field of Christian mission. When I asked what is most needed in Christian mission now, one prominent scholar of missiology and Christian history said that it is the ministers/servants of Christ serving others in the world, thus carrying on the works of Christ.

It is almost cliché to say that Christian mission is from everyone to everywhere. One needs not be a “Global Servant” or “missionary” serving in the global-South or -East, though such servants of Christ are in great demand in those regions. But what is also needed is local servants of Christ ministering at local foodbanks, homeless shelters, temporary housing facilities for refugees and immigrants, safehouses for exploited women and victims of

domestic violence, prisons, and other such places in the shadow of society in our own town, city, and State. What is needed is for us to look beyond our own natural boundaries, such as racial, ethnic, and cultural boundaries, and comfort zones for the mission of God.

It was with all these in mind that the theme of TABCOM MissionWorks 2024 was set: *Crossing Boundaries: Intercultural Ministries in the Mission of God*. It was apropos since MA has seen a significant increase in diversity since 2010, with the minority population growing faster than the national average. In 2020, the Diversity index was 61%, meaning that 61% of MA residents were part of a racial or ethnic minority. Meanwhile, only 52% of adults in MA identify themselves as Christians according to a recent Pew Research data. Indeed the harvest is plentiful but the workers are few. May the Lord of the harvest send out workers into His harvest field, even right here in MA.

In prayers,
 Rev. Miranda M. Kwon
 Director of Missions, TABCOM
 Associate Pastor, First Baptist Church, Melrose, MA

Communications Coordinator Report

Then the Lord answered me and said: Write the vision; make it plain on tablets, so that a runner may read it. Habakkuk 2:2 (NRSV)

As Communications Coordinator for TABCOM, I have the privilege of helping to connect, inform, and uplift our diverse network of churches through a variety of communication channels. Over the past year, I have continued to focus on enhancing the visibility of our ministries, events, and shared mission through consistent and meaningful outreach.

One of the primary tools in this effort has been the bi-weekly TABCOM newsletter. This publication continues to be a vital platform for celebrating the work of our churches, promoting upcoming events, sharing leadership transitions, and offering resources to support ministry. I am committed to making the newsletter engaging and accessible, and I am always seeking contributions from our churches to highlight the rich and varied life of our TABCOM family.

In addition to the newsletter, I manage the TABCOM website (www.tabcom.org), ensuring it remains a reliable source of up-to-date information. This includes event announcements, conference registrations, leadership updates, and other content that reflects our mission and values. Regular updates and improvements have helped increase usability and engagement.

I also oversee TABCOM's social media presence on Facebook and Instagram. These platforms allow us to share inspiring stories, photos, scripture, and reminders in real-time, helping us reach a broader audience and stay connected with members between newsletters. Social media continues to be an important space for real-time updates, ministry highlights, and building community online.

Throughout the year, I've had the opportunity to attend TABCOM-sponsored events and regional gatherings, where I provide live coverage, take photos, and share updates through our digital channels.

Looking ahead, I hope to expand our communications efforts by exploring new tools and formats for storytelling, enhancing collaboration with regional leaders, and building a stronger network of church communicators. I invite all of our congregations to continue sharing their news, milestones, and ministry highlights so that we may celebrate and learn from one another.

It is an honor to serve as Communications Coordinator, and I am grateful for the opportunity to help amplify the voice of the Spirit moving through the American Baptist Churches of Massachusetts.

In His Service,
Rev. Robyn Monique Mars
TABCOM Communications Coordinator
Interim Pastor, First Baptist Church in Littleton

Thoughts from the Coordinator

I have enjoyed working with the folks who volunteer their services for The Conference On Ordained Ministry. Time is such a sought after commodity these days, their dedication to the mission of the organization is very much appreciated. Their combined experience and knowledge are Blessed gifts to the cause of Christ in finding competent, faithful leaders for the existing and future cause of Christ in the world. We are one generation away from non-existence as people of faith, so there is indeed work to be done, and faithful people are needed to do that work.

The Commission owes a huge debt of gratitude to Rev. Diane Badger for her administrative genius. Despite her own personal health crisis she never missed a beat, which is a testament to her dedication to the program, and her level of leadership/expertise.

The Committees continue to meet virtually and or hybrid because this works out for everyone's ever challenging schedules.

Boston Southwest Annual Report

For I know the plans I have for you," declares the LORD, "plans to prosper you and not to harm you, plans to give you hope and a future. (Jeremiah 29:11)

In recapitulating this year's events, I am delighted to report that God's plans for our association continues to unfold as we follow his lead.

With the leadership of our Executive Board and Chairs of Committees, we have met monthly via Zoom with - Moderator, Rev. André Morgan, Assistant Moderator, Rev. Dana Gonsal; Clerk, Mrs. Nancy Terp-Elder; Treasurer - Ms. Lewann Mina; Chair. Committee for Ordination, Rev. James Fripp; Chair. - Nominating Committee, Rev. Danielle Gantt, Chair. - Committee for Missions - Rev. Daniel Aguste and Chair, Boston Baptist Social Union, Rev. Arthur Gerald.

The purpose of these being to keep abreast of the association churches, to discuss ways to support our pastors and communities. To work with candidates in the ordination process.

A great accomplishment for BSW in 2024 was to see the rebuilding of our website. The focus for this new site is to highlight the ministry of each church, to allow for connectivity among the churches, and to be a source of information for TABCOM and the denomination. We encourage all to visit. If you have any information to post please reach out to us.

We were able to convene our Spring Association meeting on April 4, 2024, at First Baptist Church, Westwood, Rev. Catherine Miller, host Pastor and our Fall meeting on November 2, 2024, at First Baptist Dorchester, Rev. Dana Gonsal, host Pastor. Both gatherings were supported by pastors, ministers, as well as lay participation. The meetings began with a continental breakfast, followed by time of devotion; business meeting; group discussion closing with lunch and fellowship. Thanks to Rev. Dr. Mary Hamel for her support at our Fall meeting.

On March 9, we witnessed a double blessing for FBC Westwood with the instillation of their settled pastor, The Rev. Catherine Miller. What a glorious service seeing pastor and people coming together with a dynamic message from our Moderator Rev. Dr. André Morgan. Earlier that morning, (3/9) we were blessed to have the ordination council for Min. Sheldon Miller supported by association churches and guests. Returned to FBC Westwood on June 9th, for the ordination service of Min. Sheldon Miller to Christian

ministry. The message for the occasion was delivered by Rev. Danielle Gantt.

On November 3, FBC Westwood celebrated 200 years of ministry with community and church celebration.

Again, we witnessed the plan of God through the ordination council for Min. Monica Paige on June 22. Her ordination service was later held on December 8, both convening at Morning Star Baptist Church, Bishop John Borders, Pastor.

On June 14th we celebrated with People's Baptist in the Retirement Gala at the Inter-Continental Hotel in Boston, for Rev. Dr. Wesley Roberts. A letter was sent from the association along with a monetary gift.

Three of our churches continue with their food insecurity programs with groceries as well as hot meals for people throughout the Greater Boston Area and other surrounding communities. For more information see their websites, [Concord Baptist Church](#), Milton; [First Baptist Church](#), Jamaica Plain and [Twelfth Baptist Church](#), Roxbury.

First Baptist Church of Norwood continues in the search and call process. They've decided to work with Rev. John Ames in the capacity of pulpit supply for continuity until a decision can be made for a settled pastor.

In January 2024, letters were sent to all Settled Pastors within the association reminding them of our support and commitment to each, as well as our continued prayers for them and their families. Along with the letter, a \$25 gift card was sent as a reminder to take a coffee/tea break and some quality time to focus on self.

Old Colony Annual Report

TABCOM 2024 Annual Report

January 2024 started off with our Annual Breakfast at Messiah Baptist Church. Our guest speaker was Rev. Moreen Hughes of Concord Baptist who spoke about her book, *"A Woman's Journey with God: Engaging in the Spiritual Disciplines"*. Always a favorite event of the Old Colony we had about 50 people in attendance. This meeting served as our spring meeting. I was able to spend time throughout the year connecting with pastors throughout our association via email, meeting for coffee, and visiting churches. My time was spent connecting churches and pastors with resources that might help them in their ministry. I worked on making posts more applicable to the work and ministry of our association churches. This also became a way to make them aware of various events in the region that could help them and their churches.

In September, Brewster Baptist Church hosted our fall meeting in conjunction with their 200th anniversary. At our September meeting we were pleased to be able to vote in, unanimously, a new member church: Lively Stones Christian Center of Brockton. They were present with us that day and received a warm welcome from the churches present.

- † During the year, we said congratulations and good-bye to Rev. Rebecca Driscoll Mygatt of FBC Attleboro; Congratulations on her marriage and good-bye as she was called to a church in Pennsylvania.
- † United Parish of Carver will be closing their doors and merging with an independent Baptist Church from Hanson in June 2025.
- † FBC Mansfield called their second student minister, David Baga in May. Their previous pastor, Rev. Greg Scalise graduated in May and was ordained at his home church in Brewster and then called to serve the Baptist Church in Manchester, New Hampshire.
- † Pastor Cordell Wells, from Norwood, was called as pastor to FBC Dighton after their Pastor, Rev. Paris Bollinger, resigned to spend more time with his family.

Submitted by Rev Diane Badger

2024 was another year for highlights and new initiatives for the TABCOM School of Ministry (SoM).

- † Graduated 8 students
- † Enhanced our website and Facebook page
- † Re-conceptualized our offerings to include specific ministry callings in addition to general equipment.

Portuguese Liaison Annual Report

TABCOM'S LIAISON TO THE EXECUTIVE MINISTER FOR THE PORTUGUESE-SPEAKING COMMUNITY

It is a privilege to serve the Lord and each other in the name of Christ. As we do that it's a blessing to be able to look back, from time to time, to see what the Lord has done in our lives, our families, and our ministries.

As part of TABCOM's Brazilian Community (also known as Portuguese-Speaking Community), we look back with gratitude for what the Lord did and allowed us to do in his name in the past year, no matter how small such things could seem to be at times. Everything we're able to do for Him, enabled by Him, brings Him glory.

Here is a small list of some activities that took place within the Brazilian community and denominational events that somehow involved its members. I want to express my gratitude to my colleagues Rev. Jackson Oliveira and Rev. Miguel R. daSilva for helping me to put this list together. I anticipate my apologies in case any imprecision would be found in it.

1. We had a meeting for Brazilians during the 2024 Annual Meeting.
2. There was a virtual meeting in June with a number of pastors.
3. On June 15 there was a special service for the Brazilian churches at the New Life Baptist Church (Igreja Batista Nova Vida) in Lowell.
4. Several members of the Brazilian Community, pastors and lay leaders, participated in the MBMM Allelon Gathering last September, promoted by MBMM with the support of ABHMS.
5. On September 29 the ABC Latin Ministries Coordinator, Rev. Abner Coto-Bonilla, preached at the Brazilian church Igreja Baptista Renovada (Renewed Baptist Church) of Pastor Jackson Oliveira in Acton.
6. On October 5, Brazilians met at the church of Pastor Ronie Souza in Lowell to celebrate the church's anniversary.
7. On November 16 some members of our community participated in a Brazilian Caucus virtual meeting.
8. The church Igreja Batista Vida Nova, under the leadership of Pastor Ronie Souza, was received by TABCOM as a member. Pastor Jackson and I took part of the process, providing assistance to both sides.
9. There was a virtual meeting of the Brazilian Caucus and its representatives last February.

It is good to see our community coming back to life after the limitations imposed by the pandemic and its aftermath. It seems that the dry land crossing is over. Let's keep on praying and expecting great things from God.

In the love of Christ, our Lord, I humbly submit the present report.

Rev. Dr. Dalton H. Said

Samuel Stillman Annual Report

TABCOM 2024 Annual Report

Christ is with us. As churches and as an association, we support each other in remembering Christ's presence and power, even in the current storm. We help each other to move forward with open eyes, seeing that, though we are all in the storm, we are not all the same, and we do not all experience the storm in the same way. Consider, for example, immigrant churches facing unprecedented pressure now. Even as Christ sees us, let us pray that we can see each other. Even as Christ expressed his love through washing his disciples' feet (John 13:1-15), let us, as churches and as an association, wash each other's feet, and reach out to others to wash feet, as a palpable, mutual expressions of God's love.

There is a hymn that emerged in the 1960s that expresses this mutuality well. It is called "*They'll know we are Christians by our love.*" The song was written by a Catholic priest, Peter Scholtes, who served a church on the South Side of Chicago. According to Hymnary.org (<https://hymnary.org/text/we-are-one-in-the-spirit>), "At the time, he was leading a youth choir out of the church basement and was looking for an appropriate song for a series of ecumenical, interracial events. When he couldn't find such a song, he wrote the now-famous hymn in a single day." Similarly, let us pray for Holy Spirit-inspired creative resilience to help our Christian unity when the well seems dry.

In my role as Association Resource Coordinator of the Samuel Stillman Association I act as a liaison between TABCOM, the Stillman Association, and its more than 30 churches in and around Boston, including urban and suburban and many different languages. I act as an encourager of the association itself, in all its functions, trying to ensure that things do not fall through the cracks. I pray for the churches; preach when asked; consult to pastors, laypeople, and pastoral search committees when asked; counsel candidates for ordination; and engage people in working together across boundaries. I also share news from TABCOM and ABCUSA with the Stillman Association and share Stillman concerns with TABCOM administration.

Here are some updates:

- † Current Stillman Association officers include Rev. John Odams, moderator; Deb Mel, treasurer; Cathy Zeman, clerk; Rev. Jason Rutherford, Chair of Ordination Committee; Rev. Xinyu Li, Chair of Nominations Committee; and two members at large, Earl Norman and Deborah Porter.

- † An ad hoc committee of the Executive Committee is working together to get the Stillman Website restored.
- † Last summer Trinity Baptist Church in Arlington hosted the Stillman Association for its annual picnic and annual meeting. We hope to return this summer.
- † In December Rev. Xinyu Li invited the Association to his church, Lincoln Park, Newton, for a Chinese Christmas Concert. This served as the fall gathering of the Stillman Association.
- † This year, C.J. Fowler (Old Cambridge Baptist Church) and Erik Nordbye (International Community Church) were ordained to Christian ministry. Rev. Fowler is serving as the Minister with Children and Families at Second Baptist Church in Little Rock, Arkansas. Rev. Nordbye is soon to be installed as pastor at International Community Church.
- † The Monthly meeting of Stillman Pastors, begun last year, will soon recommence, hosted by Rev. Patrick McCorkle at First Baptist Arlington.
- † Two churches called new pastors: Old Cambridge Baptist Church called Rev. Sarah Lusche, and Union Church of Waban, a TABCOM cousin church, called Rev. Megan Berkowitz.
- † Three churches are in various points in search and call: Trinity Baptist in Arlington is using supply pastors from TABCOM, First Baptist Framingham, is served by interim Rev. Jerrie Shepard Matney, and Union Baptist Church in Cambridge is very close to calling a pastor. At Union, the ministry staff and various guest preachers cover the pulpit. Prayer ministry, led by Min. Debra Mosley, meets three times a week and Rev. Loretta continues to lead weekly Bible Study on Zoom.

As might be clear here, I am experiencing a Kum Bah Ya moment. Kum Bah Ya means Come by here. God, we need you. Come by here.

Yours in Christian Love,
Rev. Dr. Loretta Saint-Louis

TABCOM 2024 Annual Report

MABIT has provided a proven investment service for TABCOM churches and partners allowing them to pool investment funds for 30 years. The pooling of funds allows for upgraded financial management services and reduced management fees. MABIT offers three investment categories: Growth, Moderate and Conservative. Approximately 30 Massachusetts Baptist churches and TABCOM partners invest via MABIT. MABIT's balance is in excess of \$8M.

MABIT is partnered with Merrill Lynch's Barcomb, Tanguay and Associates to provide professional fiduciary management services. The MABIT Board of Trustees meets with the Barcomb/Tanguay advisors three times per year to review the overall portfolio, MABIT product offerings and discuss market issues. Socially responsible screening of investments is performed for all accounts. Each investing church has complete control over its account's asset allocation.

The 2024 financial markets continued to bounce back from the tough losses in 2022. The bond market has been slow to recover from its record breaking loss of 18.5% in 2022. The bond market is expected to improve in 2025. The equity markets performed well in 2024. 2024 ended with MABIT's highest portfolio balance with a \$2M gain in the past two years. The overall portfolio gained 12.25% in 2024. A new contractor, PG Calc, was hired to improve sub accounting and reporting services.

The Board continues to advise investors to annually review their risks. Individual accounts will be rebalanced quarterly with the new PG Calc services. The Board also recommends the Moderate investment option with a 60% equity and 40% fixed portfolio for most investors. Barcomb advisors are available to assist you.

The Board is very pleased to announce that Nelda Cronin of Chelmsford's First Baptist Church has joined MABIT's Board of Trustees.

Respectfully submitted on behalf of the Board,
Davi F. Lambert

TABCOM ANNUAL GATHERING OFFERING

Your gifts to the TABCOM Annual Offering
will be divided between these two vital projects:

Support for our Brothers and Sisters in Myanmar devastated by the recent earthquake

The earthquake that caused widespread devastation in central Myanmar occurred on Friday, March 28, 2025. To date, it's been reported that more than 2,900 have died and more than 3,400 have been injured in Myanmar, although it is difficult to obtain accurate information.

International Ministries has sent an initial grant of \$10,000 in One Great Hour of Sharing (OGHS) emergency relief to partners who are providing humanitarian relief to the victims of this disaster. IM Chief Program Officer Rev. Jim Bell notes, "This natural disaster presents a need and an opportunity to stand with and support the body of Christ in Myanmar, which was birthed two hundred years ago through the work of IM's pioneering missionaries Ann and Adoniram Judson. Through IM's network of Baptist and other Christian partners, your giving will reach places and people likely to have no other sources of relief and will bear testimony to the ultimate help and hope to be found in Christ."

Your offering will be shared through OGHS in their relief efforts. All funds will directly assist those in need. Your prayers and financial support will make a significant difference in helping those affected by this devastating earthquake in Myanmar.

Support for our local Burmese Brothers and Sisters in the newly established Adoniram Judson Heritage Foundation

With great joy and thanksgiving, we announce the establishment of the Adoniram Judson Heritage Foundation and the acquisition of Adoniram Judson's birthplace at 145 Main Street, Malden, Massachusetts. This sacred site commemorates the life and legacy of Judson, as some refer to as the "Apostle to Burma," whose devotion to Christ forever shaped Burmese Christianity.

AJHF Mission and Goals: To honor Adoniram Judson and represent Burmese believers worldwide. Key goals include:

- **Honor the Judsons:** Pay tribute to Adoniram, Ann, Sarah Emily Judson for their tireless contributions to the Gospel of Jesus Christ, education, and religious freedom in Burma.
- **Preserve History:** Maintain the historical integrity of the Judson birthplace, the oldest house in Malden, MA. (The Holy Ground)
- **Showcase Legacy:** Display the mission work, portraits, and artifacts of the Judsons, alongside stories of other missionaries in Burma.
- **Mission Study Center:** Create a welcoming space for visitors to learn, reflect, and explore their own call to the Great Commission.

Thank you for your generosity to the **TABCOM Annual Gathering Offering** for these important ministries!
