

GIVE FOR NOW... AND FOR THE FUTURE

The **TransFORMATION Fund** was launched in 2008 with a \$5,000 gift to be invested for the future. Through your continued generosity, the Fund has grown to more than \$2 million invested with the American Baptist Foundation. TABCOM, Grotonwood, and Oceanwood all benefit annually and in perpetuity from the investment income. In addition to making outright contributions, you can partner with the Foundation to create a planned giving strategy. Thank you for making these ministries a part of your legacy!

WE'D LOVE TO HEAR FROM YOU!

YOUR GIVING COUNTS!

Since our founding in 2003, Friends Of Regional Ministries (FORM) donors have made camp affordable for children and adults with disabilities who otherwise couldn't attend; maintained, built, and enhanced facilities from docks to decks, pavers to a pavilion; created a garden to honor and remember treasured people; preserved vital documents that tell our Baptist story; funded the development of ministry leaders serving throughout the state, country, and world...and MORE! Imagine what God will have us do next!
